

Drug and Alcohol Program Manager Training
Presented by: RLS: Sean Oswald
Hyatt Place State College
219 West Beaver Avenue, State College, PA 16801
March 22, 2018
8:00 am – 4:00 pm

COURSE OBJECTIVES:

- This Full-Day course will provide a comprehensive overview of the FTA Drug and Alcohol testing program, covering all major topic areas of FTA drug & alcohol compliance.
- The course offers the needed foundation and introduction for any new drug and alcohol program manager who may not have a lot of exposure/training on the USDOT-FTA drug & alcohol regulations
- The course also provides, and allows time for, the in-depth and detailed discussions/case-studies often sought after by the most seasoned and experienced drug and alcohol program managers.
- This course covers such topics as policy development and implementation; drug and alcohol testing categories; testing procedures; procurement of testing services; employer/supervisor training; and record keeping among others.
- This training is also designed to keep transit managers up-to-date and knowledgeable about current compliance issues and the FTA audit process
