

JOIN US FOR SYSTEM SECURITY AND EMERGENCY PREPAREDNESS PLAN (SSEPP) TRAINING!

You will:

- Learn the steps to prepare for, prevent, respond to and recover from major security threats and emergencies.
- Collaborate with managers and colleagues in other transit agencies.
- Complete activities to write your SSEPP plan during the training.
- Leave with a SSEPP that is 90% complete and with 100% of the materials to finish the plan at home.

Join PennTRAIN at any one of three sessions to develop your FTA-compliant SSEPP. The three-day course will be offered in the following locations:

Lancaster County Public Safety Training Center
Manheim, Pennsylvania
March 27-29, 2012

Central Pennsylvania Institute of Science and Technology
Bellefonte, Pennsylvania
April 10-12, 2012

Community College of Beaver County
Monaca, Pennsylvania
May 1-3, 2012

Please RSVP to Christine Caggiano at ccaggiano@mbakercorp.com or 215-446-5193.
